she's really beautiful!
Amaz-ing!
They really suit each other!
Ah
Yamada
Kyaaa!
Inoue-senpai!

Ah please come to our refreshment stand!
Here's a ticket!
It's been a while!
Kyaa!

Hello!
No way it's Inoue-senpai! She really came!
Long time no see!

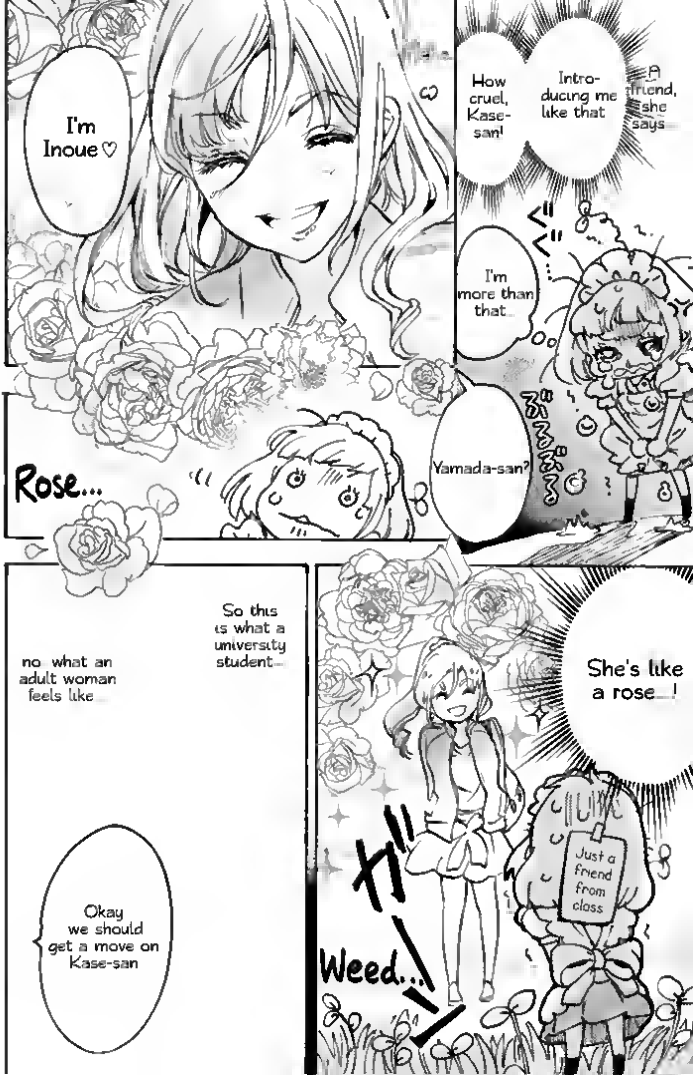
Yamada

Mikawa told me you didn't have one.
It's a crepe ticket.
3-B
Eh?
Here
Eh? What about the culture festival?
I'm gonna get one too once we're finished this evening
Wanna eat them together?
I need to see the coach and the visitor from the university off at the station,
I know.
That's her over there
She took really good care of me
Eh?
along with Inoue-senpai.

Be-
Before you started walking home with me,
you always walked home with her, right?
Huh? How'd you know that?
Aha
Did you hear about it from somebody?
Huh?
Eh?!
You mean it's true?!
Kase!

Um senpai!
Err
Just a minute!
We should get going!
Okay!
Ah
Here
This is Yamada-san, a friend from my class ♡
FRIEND?!
THAT?



I'm Inoue♡
Rose...
How cruel, Kase-san!
Introducing me like that
A friend, she says...
I'm more than that...
Yamada-san?
ぶるぶる
So this is what a university student...
no, what an adult woman feels like...
Okay we should get a move on Kase-san
She's like a rose...!
Just a friend from class
Weed...

Eh?
Right, I'll see you later Yamada!
Okay?
Okay senpai!
シャ"ッ
What are you going to do?
There's so much time until evening...
Where are you two going?
Isn't it our long awaited culture festival...?
ドキ・・・

Wait!
I'm coming too!
Just where are you going together?!
Wow this brings back memories!

The sports field?
ほい
Oooh!
It hasn't changed at all!
Of course not. It hasn't even been a year since you graduated senpai
I suppose!
Mind if we start with a light run?
ガシャ
You're on.

It's been a year since we last ran together right?
Even longer I retired after all
Hurry up and unlock it Kase
Running together?
Right now?
Huh?
What is it?
Umm...
Hauuh?
I don't seem to have the key.
Eh?! You moron!
Hurry up and go get it!
Sorry, senpai!
And be quick about it!
Geez

She's a good kid but a bit of a blockhead
Kase's always like this, y'know
Heh
I wonder if she'll be okay in Tokyo... She's bad with directions too
Is that so...?
High school
How nostalgic
Even though it hasn't even been a year since I graduated
She really knows a lot about Kase-san
It feels like forever since I've had a good run

She had a girlfriend in the same club, y'know?
People always called them the couple of the club
On this tiny sports field...
About Kase-san...
You like green drops, right?
The green drops girl...!
So you're also going to a college in Tokyo, Yamada-san?
She always got the first candy from Kase-san...

I heard about it from Kase
Eh?
Eh?
Where are you going?
K
K-College
K-College? What's that?
Um, it's a horticulture college
What did Kase-san tell her...?
Oh man...
What club activities do you do, Yamada?
To talk about me that much

That means you've spent the entire time just cleaning the school grounds!
Ohhh
I Kase-san always saw that on the way home from school
Clean-ing?!
N-Never
Never?
Eh?
No way!
Ah... I never joined any clubs
Farm work?!
Do you do like farm work or something?
It's really fun!
It's my duty as the plant appointee!
And it's not cleaning!
It...
Cleaning and stuff?
Is it really that fun?

Now I've done it...
I-I'm sorry!
しゃしゃしゃ...
Why did I do that?
Oh man...
No way...
Hah...
Uwah!
Uuuuh...
What's with this girl?
Yamada-san
She's creeping me out
Sorry sorry!
I didn't mean anything by it
Hehe

I'm not really sure what someone like you who isn't even in a club is thinking but...
Y'know
Even though I'm her senpai I've never been able to beat Kase's time
Not even once
I came back here so I could run together with Kase, just the two of us
I don't know if you're her friend or what but...
Don't get in my way. Okay Yamada-san?
